

Ryan P. Krushelnitzky

Field LLP

A. OVERVIEW

Ryan Krushelnitzky is a litigator and arbitration counsel, with a strong focus on construction law and product liability. With a Ph.D. in civil engineering (specializing in geotechnical engineering), Ryan brings a blend of technical insight and strategic legal thinking to assist his clients in resolving complex commercial disputes.

Ryan also clerked at the Supreme Court of Canada, Canada's highest Court, working for the Honourable Justice Marshall Rothstein. Clerking gave Ryan a unique insight into the judicial decision-making process.

Ryan is a Term Lecturer teaching law to engineering students at the University of Alberta's Faculty of Engineering. He has also been asked to present on the topic of bidding and tendering law as part of the Osgoode Hall Law School Certificate in Construction Law.

Ryan has appeared before the Alberta Court of Justice (Provincial Court), the Alberta Court of King's Bench, the Court of Appeal of Alberta, the King's Bench for Saskatchewan, the Court of King's Bench of Manitoba, as well as *ad hoc* and International Chamber of Commerce (ICC) arbitration tribunals. He has experience in both domestic and international arbitrations, as well as appeared as counsel in a week-long fully virtual trial

A Fellow of the Canadian College of Construction Lawyers, Ryan is recognized in *The Best Lawyers*™ in Canada and the Canadian Legal Lexpert® Directory for construction law. Recognition these directories is based on peer reviews of leading lawyers and their professional abilities.
